| <p>Exclusions: To reduce barriers to care and improve the health outcomes for our patients, WCHC has elected to acquire, purchase, and facilitate access to select supplies and equipment through a third party vendor. The charges for these supplies and equipment are set to cover reasonable costs and are excluded from the sliding fee scale outlined above for those patients that are eligible for Category 1. Examples include but are not limited to dentures, crowns, bridges, and other oral appliances.</p> | | | | | | |
